- A. Mayor Karen Buck called the meeting to order at 5:06 pm, established a quorum and lead all in the Pledge of Allegiance.
- B. **PUBLIC HEARING** – City Secretary Angela Harrington explained the reason for the Proposed Amendment to the 2021-22 Texas Community Development Block Grant Program (TxCDBG) contract #CDV21-0440. The amendment is required due to the fact that a portion of the project in the original application has been found to already have been completed; therefore, allowing a portion of the funds to be used on another project. The newly proposed project is to replace the 2" water line that runs south of the fire hydrant on the S. Brazos Street extension with a 6" water line. Water pressure on the current 2" water line has been a serious issue for residents connected to that line.
The one attendee declined to make a statement.

1. **Approve Resolution R20230703 Allowing for the City to Amend the 2021-22 Texas Community Development Block Grant Program (TxCDBG) contract #CDV21-0440**
